Bodywork/Smoothing required: Yes / No

Special Instructions \_\_\_\_\_

I understand that the condition in which I drop off my parts to M+M Custom Finishing is the condition that I want the parts finished in unless I request them to be body worked/smoothed. I also understand that the shop rate for bodywork is no more than \$60.00/Hr. (+ materials,) billed in half hour increments. I also understand that quoted prices are quoted for finishing without any bodywork required and that the final price will reflect any bodywork (+ materials,) preformed by M+M Custom Finishing.
